- Cable management: Cable labels with hook-and-loop band (inscribable touch fastener cable ties) for marking, sorting and storage of cables, leads and adaptors.
  - Cord organizer: Cable ties with area for labelling ideal for home (e.g. kitchen appliances, home entertainment system), office (e.g. laptop, printer), workshop and music studios.
  - Cable tidy: The LTC MINI TAGS cable marker makes it quick and easy to find each cable and plug by cable labelling. Cable labels: simple attachment and removal, reusable.
  - Dimensions of cable labels / cable tags: total length ca. 9 cm, width of hook-and-loop cable tie ca. 1.2 cm, size of inscribable label ca. 3 x 1.8 cm.
- 

**TEXT 2:**

Hook-and-loop cable labels with inscribable area for marking

Inscribable LTC MINI TAGS hook-and-loop cable ties for marking and sorting wires, cables, and adaptors. Cable labelling is ideal for home (e.g. kitchen appliances, home entertainment system), office (e.g. laptop, printer), workshop and music studios. LTC MINI TAGS cable marker makes it quick and easy to find each cable and plug without time-consuming searching. Thanks to touch fastener ties on the cable labels, thin cables can also be easily arranged and stored. Ideal for HDMI, USB, and charging cables. Marking, imprinting and labelling has never been so easy!

Dimensions: total length ca. 9 cm, width of hook-and-loop fastener ca. 1.2 cm, size of inscribable label ca. 3 x 1.8 cm.

LTC MINI TAGS cable labelling with touch fastener strap and areas for marking is available in the following colours: white, black, and mixed (red, yellow, and blue).
