

## Socket Outlet DIN 49440/VDE 0620 With Overvoltage Protection

Art.-No. 691693

Outlets: DIN 49440 / VDE 0620

Overvoltage protection: VDE 0675, part 6, 1989-11, part A1:  
1996-10, class D

### Specifications:

- Solid body PVC compound, glow wire resistant 850°C, colour: Pantone 425U

### 7 Socket outlets 250 V / 16 A:

- PolyamidePA6 GF30, glasfiber, 850°C glow wire resistant
- Colour Pantone cool grey 2U
- 35° turned outlets
- Nickel plated earth contacts
- Plastic components and end caps PA6 GF30 glasfiber, 850°C glow wire resistant, colour Pantone cool grey 2U

### Overvoltage protection:

- 3 Varistors / 2 temperature fuses
- Optical malfunction indication
- Rated power: 16 A, 3600 W
- Cable 2 m H05VV-F 3G 1,5 mm<sup>2</sup> with 90° angled Schuko plug, with double earthing
- 2 metal fixings included
- Superior material
- Innovative fixing system: with one metal fixing 9 positions are possible
- Excellent electronic components, High Quality product
- Warranty: 2 years

CE RoHS compliant
